The following is a summary of the terms of the notes offered by the preliminary pricing supplement hyperlinked below.

**Summary of Terms**

**Issuer:** JPMorgan Chase Financial Company LLC  
**Guarantor:** JPMorgan Chase & Co.  
**Minimum Denomination:** $1,000  
**Index:** S&P 500® Index  
**Pricing Date:** July 14, 2023  
**Final Review Date:** July 16, 2027  
**Maturity Date:** July 15, 2027  
**Review Dates:** Quarterly  
**Contingent Interest Rate:** At least 5.38% per annum, payable quarterly at a rate of at least 2.0915%, if applicable  
**Interest Payment:** An amount that represents 7.017% of the Initial Value  
**CUSIP:** 491307EC4  
**Preliminary Pricing Supplement:** [hyperlink](https://www.jpmorgan.com/documents?docid=691307EC4&archive=Product_Termsheet&file=document.pdf)  
**Estimated Value:** The estimated value of the notes, when the terms of the notes are set, will not be less than $992.00 per $1,000 principal amount note. For information about the estimated value of the notes, which may be lower than the price you paid for the notes, please see the hyperlink above.

**Automatic Call**

If the closing level of the Index on any Review Date (other than the first, second, third and final Review Dates) is greater than or equal to the Initial Value, the notes will be automatically called for a cash payment, for each $1,000 principal amount note, equal to (a) $1,000 plus (b) the Contingent Interest Payment applicable to that Review Date, payable on the applicable Call Settlement Date. No further payments will be made on the notes.

**Payment at Maturity**

If the notes have not been automatically called and the Final Value is greater than or equal to the Trigger Value, you will receive a cash payment at maturity, for each $1,000 principal amount note, equal to (a) $1,000 plus (b) the Contingent Interest Payment applicable to the final Review Date.

If the notes have not been automatically called and the Final Value is less than the Trigger Value, your payment at maturity per $1,000 principal amount note will be calculated as follows:

$$1,000 \times (1.000 + (1.000 \times \text{Index Return}))$$

If the notes have not been automatically called and the Final Value is less than the Trigger Value, you will lose more than 3.00% of your principal amount at maturity and could lose all of your principal amount at maturity.

Capitalized terms used but not defined herein shall have the meanings set forth in the preliminary pricing supplement. Any payment on the notes is subject to the credit risk of JPMorgan Chase Financial Company LLC, as issuer of the notes, and the credit risk of JPMorgan Chase & Co., as guarantor of the notes.

This table does not demonstrate how any interest payments can vary over the term of your notes.

**Contingent Interest**

If the notes have not been automatically called, the closing level of the Index on any Review Date, greater than or equal to the Trigger Value, you will receive an applicable Contingent Interest Payment for each $1,000 principal amount note; the applicable Contingent Interest Payment equals at least 0.35% per annum, payable at a rate of at least 2.3915% per annum.

The hypothetical payment on the notes shown above only if you hold the notes for their entire term or until automatically called. These hypotheticals do not reflect fees or expenses that would be associated with any sale in the secondary market. If these fees and expenses were incurred, the hypothetical payments shown above would likely be lower.

Selected Risks

- Your investment in the notes may result in a loss. The notes do not guarantee any return of principal.
- The notes do not guarantee the payment of interest and may not pay interest at all.
- Any payment on the notes is subject to the credit risks of JPMorgan Chase Financial Company LLC and JPMorgan Chase & Co. Therefore, the value of the notes prior to maturity will be subject to changes in the market due to the creditworthiness of JPMorgan Chase Financial Company LLC or JPMorgan Chase & Co.
- The appreciation potential of the notes is limited to the sum of any Contingent Interest Payments that may be paid over the term of the notes.
- The benefit provided by the Trigger Value may terminate on the final Reset Date.
- The automatic call feature may force a potential early call.
- No dividend payments or voting rights.
- JPMorgan Chase & Co. is currently one of the companies that make up the index.
- At a reference subsidiary, JPMorgan Chase Financial Company LLC has no independent operations and has limited assets.

Selected Risks (continued)

- The estimated value of the notes will be lower than the original issue price prior to public market for the notes.
- The estimated value of the notes is determined by reference to an internal funding rate.
- The estimated value of the notes does not represent future values and may differ from actual rates.
- The value of the notes, which may be reflected in the value of notes for a limited time.
- Lack of liquidity: J.P. Morgan Securities LLC (we refer to as JPMS) intends to offer to purchase the notes in the secondary market but is not required to do so. The price, if any, at which JPMS will be willing to purchase notes from you in the secondary market for all or in an amount that is a significant portion of your principal.
- Potential conflicts: We and our affiliates play a variety of roles in connection with the issuance of notes, including acting as co-issuers and hedging our obligations under the notes, and making the assumptions used to determine the pricing of the notes and the estimated values of the notes. In some cases, such hedging or other trading activities of J.P. Morgan or its affiliates could result in substantial returns for J.P. Morgan and its affiliates while the value of the notes decline.
- The tax consequences of the notes may be uncertain. You should consult your tax adviser regarding the U.S. federal income tax consequences of an investment in the notes.

The risks identified above are not exhaustive. Please see "Risk Factors" in the prospectus supplement and the applicable product supplement and "Selected Risk Considerations" in the applicable preliminary pricing supplement for additional information.
