MASTER AGENCY AGREEMENT

As of May 7, 2004

To the Agent listed on
 Exhibit A hereto and
 each person that shall
 have become an Agent as
 provided in Section 3(c)
 hereof:

Dear Ladies and Gentlemen:

1. Introduction. J.P. Morgan Chase & Co., a Delaware corporation (the "Company"), confirms its agreement with each of you (individually an "Agent" and collectively the "Agents") with respect to the issue and sale from time to time by the Company of up to \$1,000,000,000 less the initial public offering price of any securities previously issued under the Registration Statement referred to below (or the equivalent thereof in one or more currencies other than U.S. dollars) aggregate initial public offering price of its Global Medium-Term Notes, Series E, due more than nine months from the date of issue (the "Notes"), its Global Warrants, Series E (the "Warrants") and its Global Units, Series E (the "Units" and, together with the Notes and the Warrants, the "Program Securities"). The Notes will be issued, either alone or as part of a Unit, pursuant to the provisions of an indenture dated as of May 25, 2001, between the Company and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), as trustee (the "Trustee") (as may be supplemented or amended from time to time, the "Indenture").

The Warrants will be issued, either alone or as part of a Unit, pursuant to the provisions of a Warrant Agreement between the Company and a warrant agent to be appointed by the Company (the "Warrant Agent"), substantially in the form of one of the warrant agreements filed as an exhibit to the Registration Statement referred to below (each a "Warrant Agreement").

The Units will be issued pursuant to the provisions of a Unit Agreement between the Company and a unit agent to be appointed by the Company (the "Unit Agent"), substantially in the form of the unit agreement filed as an exhibit

to the Registration Statement referred to below (each a "Unit Agreement"). Units may include one or more (i) Notes, (ii) Warrants or (iii) any combination thereof. The applicable prospectus supplement will specify whether the Notes and/or Warrants comprised by a Unit may or may not be separated from the Units.

The Notes, whether issued alone or as part of a Unit, will have the maturities, interest rates, redemption provisions, if any, and other terms as set forth in supplements to the Prospectus referred to below. The Warrants, whether issued alone or as part of a Unit, will have the exercise prices, exercise dates, expiration dates and other terms as set forth in supplements to the Prospectus.

2. Representations and Warranties of the Company. The Company represents and warrants to, and agrees with, each Agent as follows:

(a) A Registration Statement on Form S-3 (File No. 333-52826) relating to the Program Securities has been filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), and has become effective. Such registration statement, as amended as of the Closing Date (as defined in Section 6 below), including the documents incorporated therein by reference is hereinafter referred to as the "Registration Statement" and the prospectus included in the Registration Statement, as supplemented by a prospectus supplement setting forth the terms of the Program Securities, including all material incorporated by reference therein, in the form proposed to be filed on May 7, 2004 or thereafter in the form in which such prospectus, and prospectus supplement have most recently been filed, or transmitted for filing, with the Commission pursuant to paragraph (b) of Rule 424 of the rules and regulations adopted by the Commission thereunder, is hereinafter referred to as the "Prospectus".

(b) On the date it most recently became effective under the Act, the Registration Statement conformed in all respects to the requirements of the Act, the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") and the rules and regulations adopted by the Commission under the Act and the Trust Indenture Act (the "Rules and Regulations") and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and on the Closing Date the Registration Statement and the Prospectus will conform in all respects to the requirements of the Act, the Trust Indenture Act and the Rules and Regulations and will not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and at each of the times of amending or supplementing referred to in Section 7(b) hereof, the Registration Statement and the Prospectus as then amended or supplemented will conform in all respects to the requirements of the Act, the Trust Indenture Act and the Rules and Regulations, and will not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the

statements therein not misleading, except that no representation is made with respect to statements in or omissions from the Registration Statement or the Prospectus based upon written information furnished to the Company by any Agent specifically for use therein.

(c) The Indenture has been duly qualified under the Trust Indenture Act and has been duly authorized, executed and delivered by the Company and is a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms except as the enforceability thereof (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally, (ii) is subject to general principles of equity, regardless of whether such enforceability is considered at a proceeding in equity or at law and (iii) is subject to an implied covenant of good faith and fair dealing.

(d) The forms of Unit Agreement and Warrant Agreements have been duly authorized by the Company and, when a Unit Agreement or a Warrant Agreement, as the case may be, has been duly executed and delivered by the Company, will be a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms except as the enforceability thereof (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally, (ii) is subject to general principles of equity, regardless of whether such enforceability is considered at a proceeding in equity or at law and (iii) is subject to an implied covenant of good faith and fair dealing.

(e) The forms of Notes, whether issued alone or as part of a Unit, have been duly authorized by the Company and when the terms of the Notes have been duly established in conformity with the provisions of the Indenture and, when the Notes have been executed and authenticated in accordance with the Indenture and delivered to and duly paid for by the purchasers thereof, the Notes will be entitled to the benefits of the Indenture and will be valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms except as the enforceability thereof (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally, (ii) is subject to general principles of equity, regardless of whether such enforceability is considered at a proceeding in equity or at law and (iii) is subject to an implied covenant of good faith and fair dealing.

(f) The forms of Units under the Unit Agreement and the forms of Warrants under the Warrant Agreements, whether issued alone or as part of a Unit, have been duly authorized by the Company and when the applicable Unit Agreement or Warrant Agreement, as the case may be, has been duly executed and delivered and the terms of the Units and Warrants have been duly established in conformity with the applicable agreement and, when the Units or Warrants

3

have been executed by the Company and countersigned by the Unit Agent or Warrant Agent, as the case may be, in accordance with the provisions of the Unit Agreement or a Warrant Agreement, as the case may be, and delivered to and duly paid for by the purchasers thereof, the Units or Warrants will be entitled to the benefits of the Unit Agreement or Warrant Agreement, as the case may be, and will be valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms except as the enforceability thereof (i) may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting creditors' rights generally, (ii) is subject to general principles of equity, regardless of whether such enforceability is considered at a proceeding in equity or at law and (iii) is subject to an implied covenant of good faith and fair dealing.

Notwithstanding the foregoing, it is understood and agreed that the representations and warranties set forth in Section 1(e) (except as to due authorization of the Notes) and 1(f) (except as to due authorization of the Warrants and Units), when made as of the Closing Date, or as of any date on which you solicit offers to purchase Program Securities, with respect to any Program Securities the payments of principal or interest on which, or any other payments with respect to which, will be determined by reference to one or more currency exchange rates, commodity prices, securities of entities affiliated or unaffiliated with the Company, baskets of such securities, equity indices or other factors, shall be deemed not to address the application of the Commodity Exchange Act, as amended, or the rules, regulations or interpretations of the Commodity Futures Trading Commission.

3. Establishment of Agency; Solicitations by Agents.

(a) Subject to the terms and conditions set forth herein and to the reservation by the Company of the right to (i) sell Program Securities directly on its own behalf at any time and to any person, (ii) cause Additional Agents (as defined below) to become parties to this Agreement or enter into similar agreements from time to time pursuant to Section 3(c), (iii) sell Program Securities pursuant to Section 4 hereof to any Agent, acting as principal, for its own account or for resale to one or more investors or to another broker-dealer, acting as principal, for purpose of resale and (iv) accept (but not solicit) offers to purchase Program Securities through other agents on substantially the same terms and conditions as would apply to the Agents, the Company hereby appoints each Agent an agent of the Company for the purpose of soliciting and receiving offers to purchase Program Securities from the Company.

(b) On the basis of the representations and warranties and subject to the terms and conditions set forth herein, each Agent severally and not jointly hereby agrees, as agent of the Company, to use reasonable efforts when requested by the Company to solicit and receive offers to purchase Program Securities upon

4

the terms and conditions set forth in the Prospectus as then amended or supplemented and in the applicable Procedures (as defined below).

(c) The Company may from time to time appoint one or more additional financial institutions experienced in the distribution of securities similar to the Program Securities (each such additional institution herein referred to as an "Additional Agent") as agent(s) hereunder pursuant to a letter (an "Agent Accession Letter") substantially in the form attached hereto as Exhibit B to this Agreement, whereupon each such Additional Agent shall, subject to the terms and conditions of this Agreement and the Agent Accession Letter, become a party to this Agreement as an agent, vested with all the authority, rights and powers and subject to

all the duties and obligations of an Agent as if originally named as an Agent hereunder. If the Company shall appoint any Additional Agent(s) pursuant to an Agent Accession Letter in accordance with this subsection (c), the Company shall provide each Agent with a copy of such executed Agent Accession Letter.

(d) Upon receipt of any notice delivered by the Company pursuant to Section 5(b), each Agent shall suspend its solicitation of offers to purchase Program Securities until the Company shall have amended or supplemented the Registration Statement or the Prospectus as contemplated by Section 5(b) and shall have advised such Agent that such solicitation may be resumed.

(e) The Company reserves the right, in its sole discretion, to suspend, at any time and for any period, the solicitation of offers to purchase Program Securities. Upon receipt of any notice of such suspension from the Company, each Agent shall as soon as possible, but in no event later than one Business Day (as defined in the applicable Procedures) in New York City after receipt of such notice, suspend its solicitation of offers to purchase Program Securities until the Company shall have advised such Agent that such solicitation may be resumed.

(f) Each Agent shall promptly communicate to the Company, orally or in writing, each offer to purchase Program Securities received by it as Agent, other than offers rejected by it pursuant to the next sentence. Each Agent shall have the right, in its discretion reasonably exercised, to reject as unreasonable any offer to purchase Program Securities received by it and no such rejection shall be deemed a breach of its obligations hereunder. The Company shall have the sole right to accept offers to purchase Program Securities and may, in its sole discretion, reject any offer in whole or in part.

(g) At the time of the settlement of any sale of Program Securities pursuant to an offer presented by an Agent, the Company shall pay such Agent a commission based on market conditions and other factors in existence at the time of such sale, which commissions shall be subject to negotiation between the Company and J.P. Morgan Securities Inc. and shall be disclosed in the pricing supplement relating to such Program Securities.

5

(h) Administrative procedures relating to the respective duties and obligations specifically provided to be performed in the Global Medium-Term Notes, Series E, Global Warrants, Series E and Global Units, Series E, Administrative Procedures (the "Procedures") shall be agreed upon from time to time by the Agents and the Company. The initial Procedures, which are set forth in Exhibit C hereto, shall remain in effect until changed by agreement between the Company and the Agents. The Agents and the Company agree to perform the respective duties and obligations, and to observe the restrictions, specifically provided to be performed and observed by them in the applicable Procedures.

4. Purchases as Principals. (a) Each sale of Program Securities to you as principals shall be made in accordance with the terms of this Agreement. In connection with each such sale, the Company will enter into a Terms Agreement that will provide for the sale of such Program Securities to, and the purchase thereof by, you. Each Terms Agreement will take the form of either (i) a written agreement between you and the Company, which will be substantially in the form of Exhibit D, Exhibit D-1 or Exhibit D-2 (as applicable) hereto (each a "Terms Agreement"), or (ii) an oral agreement between you and the Company confirmed in writing by you to the Company.

(b) Your commitment to purchase Program Securities as principal pursuant to a Terms Agreement shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. Each (i) Terms Agreement relating to the Notes shall specify the principal amount of Notes to be purchased by you pursuant thereto, the maturity date of such Notes, the interest rate and interest rate formula, if any, applicable to such Notes and any other terms of such Notes, (ii) Terms Agreement relating to the Warrants shall specify the exercise price, the exercise date or period, the expiration date and any other terms of such Warrants and (iii) Terms Agreement relating to the Units shall specify (a) the information set forth in (i) above with respect to any Notes issued as part of a Unit and (b) the information set forth in (ii) above with respect to any Warrants issued as part of a Unit and any other terms of such Unit. Each such Terms Agreement may also specify any requirements for officers' certificates, opinions of counsel and letters from the independent auditors of the Company. A Terms Agreement may also specify certain provisions relating to the reoffering of such Notes, Warrants or Units, as the case may be, by you.

(c) Each Terms Agreement shall specify the time and place of delivery of and payment for the Program Securities and shall set out the offering price, the Agents' commission, and any selling concession or reallowance and the net proceeds to the Company. Unless otherwise specified in a Terms Agreement, the procedural details relating to the issue and delivery of Notes, Warrants or Units, as the case may be, purchased by you as principal and the payment therefor shall be as set forth in the Administrative Procedures. Each date of delivery of and payment for Program Securities to be purchased by you as principal pursuant to a

6

Terms Agreement is referred to herein as a "Settlement Date."

(d) Unless otherwise specified in a Terms Agreement, if you are purchasing Program Securities as principal you may resell such Program Securities to other dealers. Any such sales may be at a discount, which shall not exceed the amount set forth in the pricing supplement relating to such Notes, Warrants or Units.

5. Certain Agreements of the Company. The Company agrees with the Agents that:

(a) The Company will advise each Agent promptly of any proposal to amend or supplement the Prospectus or the Registration Statement or to register the Program Securities under any registration statements other than the Registration Statement referred to in Section 2(a) above (other than any proposal for an amendment or supplement or additional registration statement that relates only to the offering and sale of securities other than the Program Securities or the offering and sale of Program Securities other than through such Agent). The Company will also advise each Agent promptly of (i) the filing with the Commission of each amendment or supplement to the Prospectus or the Registration Statement and each such additional registration statement (other than any amendment, supplement or additional registration statement that relates only to the offering and sale of securities other than the Program Securities or the offering and sale of Program Securities other than through such Agent), (ii) the institution by the Commission of any stop order proceedings in respect of the Registration Statement

or any such additional registration statement, and will use its best efforts to prevent the issuance of any such stop order and, if such a stop order is issued, to obtain its lifting as soon as possible and (iii) receipt by the Company of any notification with respect to the suspension of the qualification of the Program Securities for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(b) If, at any time when a Prospectus relating to the Program Securities is required to be delivered under the Act, any event shall occur as a result of which the Prospectus as then amended or supplemented shall include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it shall be necessary at any time to amend or supplement the Registration Statement or the Prospectus to comply with the Act, the Company will promptly (i) notify each Agent to suspend the solicitation of offers to purchase the Program Securities and (ii) prepare and file with the Commission an amendment or supplement that will correct such untrue statement or omission or effect such compliance.

(c) The Company agrees that it will not solicit or accept offers to purchase Program Securities from any Agent during any period when (i) the

7

Company shall have been advised by either Moody's Investors Services, Inc. or Standard & Poor's Corporation that such organization has determined to downgrade the rating of the Program Securities or any other debt obligations or any preferred stock of the Company and such downgrade shall not yet have been publicly announced, or (ii) there shall have occurred a material change in the financial condition or business of the Company and its subsidiaries, taken as a whole, and such event shall not have been disclosed in the Prospectus (directly or by incorporation by reference); provided, however, that the Company shall not be obligated to inform any Agent of the reason for, or describe the occurrence of any event that may have occasioned the need for, the suspension of its solicitation or acceptance of offers.

(d) Not later than 16 months after the date of each acceptance by the Company of an offer to purchase Program Securities hereunder, the Company will make generally available to its security holders an earnings statement that will satisfy the provisions of Section 11(a) of the Act and Rule 158 thereunder covering a period of at least 12 months beginning after the last to occur of (i) the effective date of the Registration Statement, (ii) the effective date of the most recent post-effective amendment to the Registration Statement to become effective prior to the date of such acceptance and (iii) the date of the Annual Report of the Company on Form 10-K most recently filed with the Commission prior to the date of such acceptance.

(e) The Company will furnish to each Agent copies of the Prospectus and of the Registration Statement (including the exhibits thereto relating to the offering by the Company thereunder of the Program Securities, but excluding the documents incorporated by reference), and all amendments and supplements to the Prospectus and the Registration Statement and all additional registration statements pursuant to which any of the Program Securities may be registered (other than any amendment, supplement or additional registration statement that relates only to the offering and sale of securities other than Program Securities or any pricing supplement relating to the offering and sale of Program Securities other than through such Agent), in each case as soon as available and in such quantities as shall be reasonably requested. The Company will prepare, with respect to any Program Securities to be sold through or to the Agents a pricing supplement with respect to such Program Securities (the "Pricing Supplement") and will file such Pricing Supplement with the Commission pursuant to Rule 424(b) under the Securities Act not later than the time specified by such rule.

(f) The Company will arrange for the qualification of the Program Securities for sale, if any, and the determination of their eligibility for investment under the laws of such jurisdictions as the Agents designate and will continue such qualifications in effect so long as required for the distribution of the Program Securities; provided, however, that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any such jurisdiction.

8

(g) At any time when a Prospectus is required to be delivered under the Act, and if not publicly available through the Commission's website, the Company will furnish to each Agent, (i) as soon as practicable after the end of each fiscal year, the number of copies reasonably requested by such Agent of its annual report to stockholders for such year, (ii) as soon as available, the number of copies reasonably requested by such Agent of each report (including without limitation reports on Forms 10-K, 10-Q and 8-K) or definitive proxy statement of the Company filed with the Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or mailed to stockholders and (iii) from time to time, such other information concerning the Company as such Agent may reasonably request. The Company also will furnish each Agent with copies of any press release or general announcement to the general public, in each case upon request by the Agent.

(h) The Company will, whether or not any sale of Program Securities is consummated, pay all expenses incident to the performance of its obligations under this Agreement and any Terms Agreement and the reasonable fees and disbursements of Davis Polk & Wardwell, counsel for the Agents, in connection with the offering and sale of the Program Securities and will reimburse each Agent for any expenses (including fees and disbursements of counsel) incurred by it in connection with the qualification of the Program Securities for sale and the determination of their eligibility for investment under the laws of such jurisdictions as such Agent may designate and the printing of memoranda relating thereto and for any fees charged by investment rating agencies for the rating of the Program Securities. The Company will determine with the Agents the amount of advertising, if any, appropriate in connection with the solicitation of offers to purchase Program Securities and will pay, or reimburse the Agents for, all advertising expenses approved by it.

6. Conditions to Agents' Obligations. Your obligation to solicit or receive offers to purchase Program Securities as an agent of the Company and your obligation to purchase Program Securities as principal pursuant to any Terms Agreement shall be subject to the continued accuracy in all material respects of the representations and warranties of the Company set forth herein, to the performance by the Company of its obligations hereunder and to each of the following additional conditions precedent:

(a) (i) No stop order suspending the effectiveness of the Registration Statement or suspending the qualification of the Indenture shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or such Agent, shall be contemplated by the Commission, and any requests for additional information on the part of the Commission (to be included in the Registration Statement or the Prospectus or otherwise) shall have been complied with to the reasonable satisfaction of the such Agents.

9

(ii) (A) No downgrading shall have occurred in the rating accorded the Program Securities or any other debt securities of the Company by any “nationally recognized statistical rating organization”, as such term is defined by the Commission for purposes of Rule 436(g)(2) under the Securities Act and (B) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Program Securities or of any other debt securities or preferred stock of or guaranteed by the Company (other than an announcement with positive implications of a possible upgrading).

(b) Subsequent to the date of this Agreement and any Terms Agreement, there shall not have occurred any change, or any development involving a prospective change, in or affecting the business or properties of the Company or its subsidiaries that is, in the judgment of such Agent, so material and adverse as to make it impracticable or inadvisable to proceed with the offering, sale or the delivery of the Program Securities on the terms and in the manner contemplated in the Prospectus.

(c) Such Agent shall have received an opinion letter of Simpson Thacher & Bartlett LLP, counsel for the Company or such other counsel as is acceptable to such Agent, including in-house counsel, dated the Closing Date, to the effect that:

(i) The Company has been duly incorporated and is validly existing and in good standing as a corporation under the laws of the State of Delaware, and JPMorgan Chase Bank has been duly incorporated and is validly existing and in good standing as a banking corporation under the laws of the State of New York, in each case with full corporate power and authority to conduct its business as described in the Registration Statement and Prospectus.

(ii) The Indenture has been duly authorized, executed and delivered by the Company and duly qualified under the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), and, assuming that the Indenture is the valid and legally binding obligation of the Trustee, constitutes a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally; general equitable principles (whether considered in a proceeding in equity or at law); and an implied covenant of good faith and fair dealing.

(iii) This Agreement has been duly authorized, executed and delivered by the Company and the Terms Agreements have been duly authorized by the Company.

10

(iv) The Unit Agreement and Warrant Agreements have been duly authorized by the Company and, when duly executed and delivered by the Company will be valid and legally binding agreements of the Company enforceable against the Company in accordance with their terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally; general equitable principles (whether considered in a proceeding in equity or at law); and an implied covenant of good faith and fair dealing.

(v) The Notes have been duly authorized by the Company and, when the terms of the Notes and their issue and sale have been duly established in accordance with the Indenture and this Agreement so as not to violate any applicable law or agreement or instrument then binding on the Company, and the Notes have been duly executed by the Company and duly authenticated by the Trustee in accordance with the provisions of the Indenture, and upon payment and delivery in accordance with this Agreement, the Notes will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their respective terms and will be entitled to the benefits of the Indenture, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally; general equitable principles (whether considered in a proceeding in equity or at law); and an implied covenant of good faith and fair dealing.

(vi) The Warrants have been duly authorized by the Company and, when the applicable Warrant Agreement has been duly executed and delivered and the terms of the Warrants and their issue and sale have been duly established in accordance with the applicable Warrant Agreement and this Agreement so as not to violate any applicable law or agreement or instrument then binding on the Company, and the Warrants have been duly executed by the Company and duly countersigned by the Warrant Agent in accordance with the applicable Warrant Agreement, and upon payment and delivery in accordance with this Agreement, the Warrants will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their respective terms and will be entitled to the benefits of the applicable Warrant Agreement, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors’ rights generally; general equitable principles (whether considered in a proceeding in equity or at law); and an implied covenant of good faith and fair dealing.

(vii) The Units have been duly authorized by the Company and, when the Unit Agreement has been duly executed and delivered and the

11

terms of the Units and their issue and sale have been duly established in accordance with the Unit Agreement and this Agreement so as not to violate any applicable law or agreement or instrument then binding on the Company, and the Units have been duly executed by the Company and duly countersigned by the Unit Agent in accordance with the Unit Agreement, and upon payment and delivery in accordance with this Agreement, the Units will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their respective terms and entitled to the benefits of the Unit Agreement, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally; general equitable principles (whether considered in a proceeding in equity or at law); and an implied covenant of good faith and fair dealing.

(viii) The issue and sale of the Program Securities and the execution, delivery and performance by the Company of this Agreement, the Indenture, the Warrant Agreements and the Unit Agreement will not breach or result in a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument filed or incorporated by reference as an exhibit to the Registration Statement, nor will such actions violate the Certificate of Incorporation or By-laws of the Company or any federal or New York statute or the Delaware General Corporation Law or any rule or regulation that has been issued pursuant to any federal or New York statute or the Delaware General Corporation Law or any order known to us issued pursuant to any federal or New York statute or the Delaware General Corporation Law by any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties.

(ix) No consent, approval, authorization, order, registration or qualification of or with any federal or New York governmental agency or body or any Delaware governmental agency or body acting pursuant to the Delaware General Corporation Law or, to our knowledge, any federal or New York court or any Delaware court acting pursuant to the Delaware General Corporation Law is required for the issue and sale of the Program Securities by the Company or the compliance by the Company with the provisions of this Agreement and the Indenture, except for registration under the Act of the Program Securities, and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Program Securities by the Agents.

(x) The Registration Statement has become effective under the Act; and the Prospectus was filed on May 7, 2004 pursuant to Rule 424(b) of the rules and regulations of the Commission under the Act; and to such counsel's knowledge no stop

12

order suspending the effectiveness of the Registration Statement has been issued or to our knowledge no proceeding for that purpose has been instituted or threatened by the Commission.

(xi) The statements made in the Prospectus under the captions "Description of Notes," "Description of Debt Securities," "Description of Warrants" and "Description of Units," insofar as they purport to constitute summaries of certain terms of the documents referred to therein, constitute accurate summaries of the terms of such documents in all material respects (subject to the insertion in the Notes, the Warrants and/or the Units of certain terms which are to be described in pricing supplements to the Prospectus).

(xii) To such counsel's knowledge, there are no contracts or documents of a character required to be described in the Registration Statement or Prospectus or to be filed as exhibits to the Registration Statement or incorporated by reference therein which are not described and filed or incorporated by reference as required.

(d) Such Agent shall have received a letter of Simpson Thacher & Bartlett LLP, counsel for the Company or such other counsel as is acceptable to such Agent, including in-house counsel, dated the Closing Date, to the effect that such counsel:

(i) advises you that each of the Registration Statement, as of its effective date, and the Prospectus, as of its date, was, on its face, appropriately responsive, in all material respects, to the requirements of the Act and the applicable rules and regulations of the Commission thereunder, except that in each case such counsel expresses no belief with respect to the financial statements or other financial or statistical data contained in, incorporated or deemed incorporated by reference in, or omitted from the Registration Statement, the Prospectus; and

(ii) nothing has come to such counsel's attention that causes such counsel to believe that the Registration Statement (including the documents incorporated by reference in the Registration Statement on file with the Commission on the date of this Agreement), as of the date of this Agreement, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading or that the Prospectus (including the documents incorporated by reference in the Prospectus), as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that in each case such counsel expresses no belief with respect to the financial statements or other

13

financial or statistical data contained in, incorporated or deemed incorporated by reference in, or omitted from the Registration Statement or the Prospectus.

For purposes of this subsection, "Prospectus" shall mean the Prospectus as amended and supplemented on the date of such letter. All financial statements included in material incorporated by reference into the Prospectus shall be deemed included in the Prospectus for purposes of this subsection.

(g) Such Agent shall have received a letter of KPMG LLP, addressed jointly to the Board of Directors of the Company and such Agent, dated the Closing Date and satisfactory to such Agent, confirming that they are independent public accountants with respect to Bank One Corporation and its subsidiaries ("Bank One") within the meaning of the Act and the Rules and Regulations, and stating in effect that (i) in their opinion the financial statements and schedules examined by them and included in the Prospectus comply as to form in all material respects with the applicable accounting requirements of the Act and the Rules and Regulations, (ii) on the basis of a reading of the latest available interim financial statements of Bank One, inquiries of officials of Bank One responsible for financial and accounting matters and other specified procedures, nothing came to their attention that caused them to believe that (A) the unaudited financial statements in the Prospectus, if any, do not comply as to form in all material respects with the applicable accounting requirements of the Act and the Rules and Regulations or are not stated on a basis substantially consistent with that of the audited financial statements included in the Prospectus, (B) at the date of the latest available balance sheet read by such accountants, or at a subsequent specified date not more than five days prior to the Closing Date, there was any change in Bank One's common stock, preferred stock, or long-term debt of Bank One or any decrease (other than as occasioned by the declaration of regular dividends) in consolidated stockholders' equity of Bank One as compared with amounts shown on the latest audited balance sheet included in the Prospectus; or (C) for the period from the closing date of the latest audited income statement included in the Prospectus to the closing date of the latest available income statement read by such accountants there were any decreases, as compared with

15

the corresponding period of the previous year, in the consolidated net interest income, in net interest income after provision for loan losses, or in net income or net income per common share of Bank One on a consolidated basis, except in all instances for changes or decreases set forth in such letter or which the Prospectus discloses have occurred or may occur, and (iii) they have compared certain agreed dollar amounts (or percentages derived from such dollar amounts) and other financial information (and ratios) included in the Prospectus (to the extent that such dollar amounts, percentages and other financial information are derived from the general accounting records of Bank One subject to the internal controls of Bank One's accounting system or are derived directly from such records by analysis or computation) with the results obtained from inquiries, a reading of such general accounting records and other procedures specified in such letter, and have found such dollar amounts, percentages and other financial information to be in agreement with such results, except as otherwise specified in such letter. For purposes of this subsection, "Prospectus" shall mean the Prospectus as amended and supplemented on the date of such letter. (h) Such Agent shall have received from Davis Polk & Wardwell, counsel for the Agents, one or more opinions, dated the Closing Date, with respect to the incorporation of the Company, the validity of the Program Securities, the Registration Statement, the Prospectus and other related matters as it may reasonably require, and the Company shall have furnished to such counsel such documents as they may reasonably request for the purpose of enabling them to pass upon such matters.

Such opinion, dated as of such date, of Davis Polk & Wardwell, special tax counsel to the Company, shall further state that the statements set forth under the caption “United States Federal Taxation” and under the caption “Forms of Securities—Limitations on Issuance of Bearer Securities and Bearer Debt Warrants” insofar as such statements relate to statements of law or legal conclusions under the laws of the United States or matters of United States law, fairly present the information called for and fairly summarize the matters referred to therein.

The opinions, certificates, letters and other documents required to be delivered by this Section 6 shall be delivered at the office of Davis Polk & Wardwell at 450 Lexington Avenue, New York, New York 10017, not later than 10:00 a.m., New York City time, on the date of this Agreement or at such later time and date as may be mutually agreed by the Company and the Agents, which in no event shall be later than the time at which the Agents commence solicitation of purchasers of Program Securities hereunder, the time and date of such delivery being herein called the “Closing Date”. The Company will furnish each Agent with such conformed copies of such opinions, certificates, letters and other documents as it may reasonably request.

16

In the event that, after the Closing Date, the Company shall determine (x) to increase pursuant to and in accordance with the terms and provisions of the Indenture, the aggregate principal amount of the Program Securities that may be authenticated and delivered under the Indenture and/or (y) to register a portion of the Program Securities under a registration statement or registration statements in addition to the Registration Statement referred to in Section 2(a) above, the Company shall (i) promptly comply with its obligations and take any steps as are required to be taken by it pursuant to Sections 5(a), (e), (f) and (h) hereof, (ii) not later than 10:00 a.m., New York City time, on the date on which any such supplements or amendments to the Prospectus or the Registration Statements, or any additional registration statements, shall be filed by the Company with the Commission under the Act and shall have been declared or deemed effective, or at such later time and date as shall be mutually agreed by the Company and the Agents, deliver to each Agent and its counsel the opinions, certificates, letters and other documents required to be delivered pursuant to paragraphs (c), (d), (e) and (f), and if separate financial statements of Bank One are included or incorporated by reference in the Registration Statement and Prospectus (g) and (h) of this Section 6, and (iii) if applicable, deliver to each Agent a certificate, dated the date each of the other certificates delivered pursuant to clause (ii) are being delivered, executed by the Chairman of the Board, the President, any Vice President, the Chief Financial Officer, the Treasurer, any other Executive Officer of the Company, reaffirming each of the representations and warranties of the Company set forth in Section 2 with respect to any registration statement and any prospectus included in such registration statement filed after the date hereof relating to the Program Securities.

For purposes of the documents required to be delivered pursuant to the preceding paragraph, the term “Registration Statement” shall be deemed to refer to the Registration Statement referred to in Section 2(a), together with any such additional registration statement or registration statements relating to the Program Securities, in each case as amended or supplemented; the term “Prospectus” shall refer to the Prospectus as so amended or supplemented; and the term “Closing Date” shall be deemed to refer to the date on which the requirements under the preceding paragraph are satisfied. As of and after the requirements of the preceding paragraph are satisfied, the foregoing terms shall be deemed to be so amended for all purposes of this Agreement.

In the case of Additional Agents, the conditions set forth in paragraphs (c), (d), (e), (f) and (g) of this Section 6 shall be deemed satisfied by the delivery to the Additional Agents of copies of the documents delivered pursuant to such paragraphs on the Closing Date.

7. Additional Covenants of the Company. The Company agrees that:

(a) Each acceptance by the Company of an offer to purchase Program Securities shall be deemed to be an affirmation that the representations and

17

warranties of the Company contained in this Agreement are true and correct in all material respects at the time of such acceptance and a covenant and an affirmation that such representations and warranties will be true and correct at the time of delivery to the purchaser of the Program Securities relating to such acceptance as though made at and as of such time, it being understood that such representations and warranties shall relate to the Registration Statement and the Prospectus as amended or supplemented at such time.

(b) Promptly after the filing with the Commission of each amendment or supplement to the Registration Statement or the Prospectus under the Act (other than (i) information filed or furnished to the Commission in a Current Report on Form 8-K (or any successor form thereto); (ii) an exhibit to the Registration Statement or Prospectus that does not relate to the Program Securities; (iii) any amendment or supplement which relates only to the offering and sale of securities other than the Program Securities or which serves only to set forth, or reflect a change in, the terms of any Program Securities or the principal amount of Program Securities remaining to be sold or any similar information), the Company shall furnish each Agent with a certificate of the Chairman of the Board, the President, any Vice-Chairman, the Chief Financial Officer, the Treasurer or any other Executive Officer of the Company, dated the date of such amendment, supplement or filing to the same effect as the certificate referred to in Section 6(e), modified as necessary to relate to the Registration Statement and the Prospectus as amended or supplemented to the date of such certificate; provided, however, that the Company shall not be required during any period in which it has instructed each Agent to cease or each Agent has ceased soliciting offers to purchase Program Securities to furnish each Agent with such certificate, provided that the obligation of each Agent to begin thereafter to solicit offers to purchase Program Securities shall be subject to the delivery of such certificate dated the latest date on which the Company would but for this proviso have been required to furnish such certificate.

(c) Promptly after the filing with the Commission of each Quarterly Report on Form 10-Q or Annual Report on Form 10-K of the Company, the Company shall furnish each Agent requesting it with a written opinion of Simpson Thacher & Bartlett LLP, counsel for the Company, or such other counsel as is acceptable to each Agent, including in-house counsel, dated the date on which such Form 10-Q or Form 10-K was filed with the Commission, to the effect set forth in Section 6(d) hereof, but modified as necessary to relate to the Registration Statement and the Prospectus as amended or supplemented at such date; provided, however, that in lieu of such opinion, such counsel may furnish each Agent with a letter to the effect that such Agent may rely on a prior opinion delivered under Section 6(d) or this Section 7(c) to the same extent as if it were dated the date of such letter and the statements therein related to the Registration Statement and the Prospectus as amended or supplemented at such date; provided further, that the Company shall not be required during any period in which it has

instructed each Agent to cease or each Agent has ceased soliciting offers to purchase Program Securities to furnish each Agent with such opinion or letter, provided that the obligation of each Agent to begin thereafter to solicit offers to purchase Program Securities shall be subject to the delivery of such opinion or letter dated not earlier than the date of the most recent fiscal quarter end if such delivery is so requested by the Agent.

(d) Within a reasonable time after each date on which the Registration Statement or the Prospectus shall be amended or supplemented to include additional financial information or any document that contains additional financial information, such as a Quarterly Report on Form 10-Q, shall be incorporated by reference into the Prospectus, the Company shall cause PricewaterhouseCoopers LLP or KPMG LLP, as the case may be, to furnish each Agent with a letter, addressed jointly to the Board of Directors of the Company and the Agents and dated such date, substantially in the form attached hereto as Exhibit E; provided, however, that within a reasonable time after the filing with the Commission of each Annual Report of the Company on Form 10-K, the Company shall instead furnish each Agent with a letter addressed jointly to the Board of Directors of the Company and the Agents and dated such date, to the effect set forth in Section 6(f) or 6(g), as the case may be, insofar as Section 6(f) or 6(g), as the case may be, relates to such additional financial information; provided further, that the Company shall not be required during any period in which it has instructed each Agent to cease or each Agent has ceased soliciting offers to purchase Program Securities to furnish each Agent with either letter referred to above in the this paragraph, provided that the obligation of each Agent with either letter referred to above in this paragraph, provided that the obligation of each Agent to begin thereafter to solicit offers to purchase Program Securities shall be subject to the delivery of (i) such letter substantially in the form of Exhibit E with respect to the period commencing with the beginning of the first fiscal quarter following the date of the most recent Annual Report of the Company on Form 10-K and ending with the end of the most recent fiscal quarter or, if later, the period as to which the Company would, but for this proviso, be required to furnish such a letter and (ii) such letter to the effect set forth in Section 6(f) or 6(g), as the case may be, with respect to the most recent Annual Report of the Company on Form 10-K.

(e) In the event that the Company appoints an Additional Agent pursuant to Section 3(c) of this Agreement, the Company shall cause PricewaterhouseCoopers LLP or KPMG LLP, as the case may be, to deliver a letter addressed to the Company and such Additional Agent (a "Reliance Letter") entitling such Additional Agent to the benefits of any letter delivered by PricewaterhouseCoopers LLP or KPMG LLP, as the case may be, pursuant to paragraph (d) of this Section 7.

(f) The Company agrees to offer to any person who shall have agreed to purchase Program Securities (including any Agent that has agreed to purchase Program Securities pursuant to Section 4 hereof) the right not to purchase such Program Securities if, on the Settlement Date for such purchase, the conditions set forth in Sections 6(a) and (b), or either of them, shall not be satisfied.

8. Indemnification and Contribution.

(a) The Company will indemnify and hold harmless each Agent and each person, if any, who controls any Agent within the meaning of the Act against

any losses, claims, damages or liabilities, joint or several, to which such Agent or such controlling person may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or the Prospectus, or in any amendment or supplement thereto, or any preliminary prospectus relating to the Program Securities, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; and will, as such expenses are incurred, reimburse each Agent and each such controlling person for any legal or other expenses reasonably incurred by such Agent or such controlling person in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable to an Agent or person controlling such Agent in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any such documents in reliance upon and in conformity with written information furnished to the Company by such Agent specifically for use therein; and provided further, that with respect to any untrue statement or omission or alleged untrue statement or omission made in any preliminary prospectus relating to the Program Securities, the indemnity agreement contained in this subsection (a) shall not inure to the benefit of any Agent (or to the benefit of any person controlling such Agent) from whom the person asserting any such losses, claims, damages or liabilities purchased the Program Securities concerned, to the extent that any such loss, claim, damage or liability of such Agent or such controlling person results from the fact that a copy of the Prospectus was not sent or given to any person at or prior to the written confirmation of the sale of such Program Securities to such person (provided that such Prospectus did not contain any such untrue statement or omission or alleged untrue statement or omission and such Prospectus was delivered to such Agent by the Company on a timely basis enabling such Agent so to send or give a copy of such Prospectus in accordance with such Agent's customary procedures). This indemnity agreement will be in addition to any liability that the Company may otherwise have.

(b) Each Agent will indemnify and hold harmless the Company, each of its directors, each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Act, against any losses, claims, damages or liabilities to which the Company or any such director, officer or controlling person may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or the Prospectus, or in any amendment or supplement thereto, or any related preliminary prospectus relating to the Program Securities, or arise out of or are based upon the omission or alleged omission to state therein a material fact

required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Agent specifically for use therein; and will, as such expenses are incurred, reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer or controlling person in connection with investigating or defending any such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability that such Agent may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof, but the omission so to notify the indemnifying party will not relieve it from any liability that it may have to any indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnifying party in connection with the defense thereof other than reasonable costs of investigation.

(d) If recovery is not available under the foregoing indemnification provisions of this Section, for any reason other than as specified therein, the parties entitled to indemnification by the terms thereof shall be entitled to contribution for liabilities and expenses, except to the extent that contribution is not permitted under Section 11(f) of the Act. In determining the amount of contribution to which the respective parties are entitled, there shall be considered the relative benefits received by the Company on the one hand and any Agent on the other from the offering by it pursuant to this Agreement of the Program Securities that are the subject of the action (taking into account the portion of the proceeds of the offering realized by each), the parties' relative knowledge and access to information concerning the matter with respect to which the claim was asserted the opportunity to correct and prevent any statement or omission, as well as any other relevant equitable considerations. The Company and the Agents agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation. Notwithstanding the provisions of

21

this subsection (d), no Agent shall be required to contribute any amount in excess of the amount by which the commissions or underwriting discounts received by such Agent relating to the Program Securities that are the subject of the action and which were distributed to the public through it pursuant to this Agreement or upon resale of Program Securities purchased by it from the Company exceed the amount of any damages that such Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The Agents' obligations to contribute are several in proportion to their respective obligations hereunder and are not joint.

9. Status of Each Agent. In soliciting offers to purchase Program Securities pursuant to this Agreement and in performing its other obligations hereunder each Agent is acting individually and not jointly with the other Agents and, except as contemplated by Section 4, is acting solely as agent for the Company and not as principal. Each Agent will make reasonable efforts to assist the Company in obtaining performance by each purchaser whose offer to purchase Program Securities from the Company has been solicited by such Agent and accepted by the Company, but shall have no liability to the Company in the event any such purchase is not consummated. If the Company shall default in the performance of its obligation to deliver Program Securities to a purchaser whose offer it has accepted, the Company shall (i) hold each Agent harmless against any loss, claim or damage arising from or as a result of such default and (ii) pay to each Agent any commission to which it would have been entitled had such Program Securities been delivered.

10. Survival of Representations and Obligations. The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and the Agents set forth in or made pursuant to this Agreement or any Terms Agreement, as the case may be, will remain in full force and effect, regardless of any investigation or statement as to the results thereof made by or on behalf of any Agent, the Company or any of their respective representatives, officers or directors or any controlling person and will survive delivery of and payment for the Program Securities. If this Agreement or any Terms Agreement is terminated pursuant to Section 11 or for any other reason, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5(h) to the extent actually incurred by or committed to by an Agent to the date of such termination, the obligations of the Company pursuant to Section 5(b) shall remain in effect until the settlement of all pending deliveries of and payment for securities and the respective obligations of the Company and the Agents pursuant to Section 8 and the obligations of the Company pursuant to Section 5(d) shall remain in effect.

11. Termination. (a) The Company may elect to suspend or terminate the offering of Program Securities under this Agreement at any time. The Company also (as to any one or more of the Agents) or any Agent (as to itself) may terminate the appointment and arrangements described in this Agreement.

22

Such actions may be taken, in the case of the Company, by giving prompt written notice of suspension to all of the Agents and by giving not less than one day's written notice of termination to all of the Agents, or, in the case of an Agent, by giving not less than one day's written notice of termination to the Company. The provisions of Sections 5(b), 5(d), 5(h), 8, and 10 hereof shall survive any termination of this Agreement.

(b) Any Terms Agreement executed pursuant to Section 4(a) of this Agreement shall be subject to termination, by notice given to the Company prior to delivery of and payment for all the Program Securities, if (a) prior to such time (i) trading in securities generally on the New York Stock Exchange shall have been suspended or materially limited, (ii) trading in the common stock of the Company on the New York Stock Exchange shall have been suspended, (iii) a general moratorium on commercial banking activities in New York shall have been declared by Federal or New York authorities or (iv) there shall have occurred any outbreak of hostilities or escalation thereof or other calamity or crisis having an adverse effect on the financial markets of the United States and (b) the occurrence or consequences of any one or more of such events shall have, in the judgment of J.P. Morgan Securities Inc., made it impracticable to market the

Program Securities on the terms and in the manner contemplated by this Agreement and the Prospectus. The provisions of Sections 5(b), 5(d), 5(h), 8, and 10 hereof shall survive any termination of the Terms Agreement.

(c) For the avoidance of doubt, in the event of termination of this Agreement or any Terms Agreement with respect to any Agent, such Agent shall not receive any compensation except in connection with a purchase by it of Program Securities actually consummated, provided that the foregoing shall in no way limit the provisions of Section 8, and that reimbursement by the Company to an Agent of out-of-pocket accountable expenses actually incurred by such Agent and to which such Agent is otherwise entitled as provided herein shall not be prohibited.

12. Offering Restrictions. If any Program Securities are to be offered outside the United States, you will not offer or sell any such Program Securities in any jurisdiction if such offer or sale would not be in compliance with any applicable law or regulation or if any consent, approval or permission is needed for such offer or sale by you or for or on behalf of the Company unless such consent, approval or permission has been previously obtained. Subject to the obligations of the Company set forth in Section 5 of this Agreement, the Company shall have no responsibility for, and you will obtain, any consent, approval or permission required by you for the subscription, offer, sale or delivery by you of Program Securities, or the distribution of any offering materials, under the laws and regulations in force in any jurisdiction to which you are subject or in or from which you make any subscription, offer, sale or delivery.

23

13. Notices. Except as otherwise provided herein, all notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Company shall be directed to it at 270 Park Avenue, New York, New York 10017, Attention: Office of the Secretary (facsimile No. (212) 270-2966) and notices to any Agent shall be directed to it at the address set forth in Exhibit A hereto.

24

14. Governing Law; Counterparts. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. This Agreement may be executed in counterparts and the executed counterparts shall together constitute a single instrument.

Ladies and Gentlemen:

J.P. Morgan Chase & Co., a Delaware corporation (the "Company"), has previously entered into a Master Agency Agreement dated May 7, 2004 (the "Master Agency Agreement"), among the Company and the other agents signatory thereto (the "Existing Agents"), with respect to the issue and sale from time to time by the Company of up to \$1,000,000,000 less the initial public offering price of any securities previously issued under the Registration Statement (or the equivalent thereof in one or more currencies other than U.S. dollars) aggregate initial public offering price of its Global Medium-Term Notes, Series E, due more than nine months from the date of issue (the "Notes"), its Global Warrants, Series E (the "Warrants") and its Global Units, Series E (the "Units" and, together with the Notes and the Warrants, the "Program Securities"). The Notes will be issued either alone or as part of a Unit under the Indenture dated as of May 25, 2001, between the Company and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company), as trustee (the "Trustee") (as may be supplemented or amended from time to time, the "Indenture"). Each of the parties to this letter agrees to perform its respective duties and obligations specifically provided to be performed by each of the parties in accordance with the terms and provisions of the Master Agency Agreement and the Procedures, as amended or supplemented hereby.

Notwithstanding anything in the Master Agency Agreement to the contrary, the obligations of each of the Existing Agents and the Additional Agent(s) under Section 8 of the Master Agency Agreement are several and not joint, and in no case shall any Existing Agent or Additional Agent (except as may be provided in any agreement among them) be responsible under Section 8(d) to contribute any amount in excess of the commissions received by such Existing Agent or Additional Agent from the offering of the Program Securities.

This Agreement shall be governed by the laws of the State of New York. This Agreement may be executed in one or more counterparts and the executed counterparts taken together shall constitute one and the same agreement.

The Notes will be issued, either alone or as part of a Unit, under the Indenture dated as of May 25, 2001, as amended from time to time, (as may be supplemented or amended from time to time, the "Indenture"), between the Company and Deutsche Bank Trust Company Americas (formerly known as Bankers Trust Company) ("Deutsche Bank"), as trustee (the "Trustee").

The Warrants will be issued, either alone or as part of a Unit, pursuant to the provisions of a Warrant Agreement between the Company and a warrant agent to be appointed by the Company, substantially in the form of one of the agreements filed as an exhibit to the Registration Statement referred to below (each a "Warrant Agreement").

The Units will be issued pursuant to a Unit Agreement among the Company and a unit agent to be appointed by the Company substantially in the form of the agreement filed as an exhibit to the Registration Statement (each a "Unit Agreement"). Units may include one or more (i) Notes, (ii) Warrants or (iii) any combination thereof. The applicable Pricing Supplement will specify whether the Notes and/or Warrants comprised by a Unit may or may not be separated from the Unit.

Deutsche Bank will be the Registrar, Calculation Agent, Authenticating Agent and Paying Agent for the Notes, and will perform the duties specified herein. For the purposes of these Administrative Procedures, Deutsche Bank shall also refer to any designee of Deutsche Bank under the Paying Agent, Registrar, Transfer Agent and

C-1

Authenticating Agreement. Each Note, each Warrant and each Unit will be represented by, in the case of the Notes, a Global Note, in the case of the Warrants, a Global Warrant, and in the case of the Units, a Global Unit (each as defined below) delivered to Deutsche Bank, as agent for The Depository Trust Company (“DTC”), and recorded in the book-entry system maintained by DTC (in the case of a Note, a “Book-Entry Note,” in the case of a Warrant, a “Book-Entry Warrant,” and, in the case of a Unit, a “Book-Entry Unit”). Each Note or Warrant which may be included in any Unit will be issued in the corresponding global form. Except as set forth in the Indenture, in the case of Notes, any Warrant Agreement, in the case of Warrants or any Unit Agreement, in the case of Units, an owner of a Book-Entry Note, Book-Entry Warrant or Book-Entry Unit (or of any Note or Warrant included in such Book-Entry Unit), as the case may be, will not be entitled to receive a Certificated Note (including with respect to a Book-Entry Note included in a Book-Entry Unit), a Certificated Warrant (including with respect to a Book-Entry Warrant included in a Book-Entry Unit) or a Certificated Unit.

The procedures to be followed during, and the specific terms of, the solicitation of orders by the Agents and the sale as a result thereof by the Company are explained below. The Company will advise the Agents and Deutsche Bank in writing of those persons handling administrative responsibilities with whom the Agents and Deutsche Bank are to communicate regarding orders to purchase the Program Securities and the details of their delivery.

Administrative procedures and specific terms of the offering are explained below. Book-Entry Notes, Book-Entry Warrants and Book-Entry Units, which may be payable in either U.S. dollars or other specified currencies, will be issued in accordance with the administrative procedures set forth herein as they may subsequently be amended as the result of changes in DTC’s operating procedures. Unless otherwise defined herein, terms defined in the Indenture, any Warrant Agreement, the Unit Agreement, the Notes, the Warrants and the Units shall be used herein as therein defined. The Company will advise the Agent in writing of the employees of the Company with whom the Agent is to communicate regarding offers to purchase Program Securities and the related settlement details. To the extent the procedures set forth below conflict with the provisions of the Program Securities, the Indenture, any Warrant Agreement, the Unit Agreement, DTC’s operating requirements or the Master Agency Agreement, the relevant provisions of the Program Securities, the Indenture, any Warrant Agreement, the Unit Agreement, DTC’s operating requirements and the Master Agency Agreement shall control.

ADMINISTRATIVE PROCEDURES FOR BOOK-ENTRY NOTES, BOOK-ENTRY WARRANTS AND BOOK-ENTRY UNITS

In connection with the qualification of the Book-Entry Notes, Book-Entry Warrants or Book-Entry Units for eligibility in the book-entry system maintained by DTC, Deutsche Bank will perform the custodial, document control and administrative functions described below. Deutsche Bank will perform such functions in accordance with (i) its obligations under a Letter of Representations from the Company to DTC dated as of [], and (ii) its obligations as a participant in DTC, including DTC’s Same-Day Funds Settlement System (“SDFS”).

C-2

Issuance:

On any date of settlement (as defined under “Settlement” below) for one or more Book-Entry Notes, one or more Book-Entry Warrants or one or more Book-Entry Units, the Company will issue, in the case of the Notes, a single global Note in fully registered form without coupons (a “Global Note”) representing up to U.S. \$500,000,000 principal amount of all such Notes that have the same Original Issue Date, Maturity Date and other terms, and, in the case of the Warrants, a single global Warrant in fully registered form (a “Global Warrant”), with a notional amount of up to U.S. \$500,000,000 that have the same Exercise Price, Exercise Date, Exercise Period, Expiration Date and other terms, and in the case of Units, a single global unit in fully registered form (a “Global Unit”), representing up to U.S. \$500,000,000 face amount that have the same Original Issue Date and that otherwise comprise the same securities and have the same terms. Each Global Note and each Global Warrant, whether issued alone or as part of a Unit, will be dated and issued as of the date of its authentication, or countersignature as the case may be, by Deutsche Bank and each Global Unit will be dated and issued as of the date of the issuances of the other securities comprised by such Unit. Each Global Note, whether issued alone or as part of a Unit, will bear an “Interest Accrual Date,” which will be (i) with respect to an original Global Note (or any portion thereof), its original issuance date and (ii) with respect to any Global Note (or any portion thereof) issued subsequently upon exchange of a Global Note, or in lieu of a destroyed, lost or stolen Global Note, the most recent Interest Payment Date to which interest has been paid or duly provided for on the predecessor Global Note or Notes (or if no such payment or provision has been made, the original issuance date of the predecessor Global Note), regardless of the date of authentication of such subsequently issued Global Note. Book-Entry Notes, Book-Entry Warrants and Book-Entry Units may be payable in either U.S. dollars or other specified currencies. No Global Note, Global Warrant or Global Unit will represent, any Certificated Note, Certificated Warrant or

C-3

Certificated Unit, as the case may be.

Preparation of Pricing Supplement:

If any order to purchase a Book-Entry Note, Book-Entry Warrant or Book-Entry Unit is accepted by or on behalf of the Company, the Company will prepare a pricing supplement (a “Pricing

Supplement”) reflecting the terms of such Note, Warrant or Unit. The Company (i) will arrange to file an electronic format document, in the manner prescribed by the EDGAR Filer Manual, of such Pricing Supplement with the Commission in accordance with the applicable paragraph of Rule 424(b) under the Securities Act and (ii) will, as soon as possible and in any event not later than the date on which such Pricing Supplement is filed with the Commission, deliver the number of copies of such Pricing Supplement to the Agent as the Agent shall request. The Agent will cause such Pricing Supplement to be delivered to the purchaser of the Note, Warrant or Unit.

In each instance that a Pricing Supplement is prepared, the Agent will affix the Pricing Supplement to Prospectuses prior to their use. Outdated Pricing Supplements, and the Prospectuses to which they are attached (other than those retained for files), will be destroyed.

Note Maturities:

Each Book-Entry Note will mature on a date not less than nine months or more than thirty years after the Original Issue Date for such Note.

Denominations:

Unless otherwise specified in the applicable Pricing Supplement, Book-Entry Notes will be issued in principal amounts of U.S. \$1,000 or any amount in excess thereof that is an integral multiple of U.S. \$1,000 or, if such Book-Entry Notes are issued in a currency other than U.S. dollars, principal amounts of such currency in denominations of the equivalent of U.S. \$1,000 (rounded to an integral multiple of 1,000 units of such currency), unless otherwise indicated in the applicable Pricing Supplement. Global Notes, Global Warrants and Global Units will be denominated in, in the case of Global Notes, principal amounts not in excess of U.S. \$500,000,000, in the case of Global Warrants, in aggregate notional amounts not to exceed U.S. \$500,000,000, and, in the case of Global Units, in

C-4

aggregate face amounts not to exceed U.S. \$500,000,000. If one or more Book-Entry Notes having an aggregate principal amount in excess of U.S. \$500,000,000, or one or more Book-Entry Warrants having an aggregate notional amount in excess of U.S. \$500,000,000, or one or more Book-Entry Units having an aggregate face amount in excess of U.S. \$500,000,000 would, but for the preceding sentence, be represented by a single Global Note, Global Warrant or Global Unit, as the case may be, then one Global Note will be issued to represent each U.S. \$500,000,000 principal amount of such Book-Entry Note or Notes, one Global Warrant will be issued to represent each aggregate notional amount of U.S. \$500,000,000 of such Book-Entry Warrant or Warrants, and one Global Unit will be issued to represent each aggregate face amount of U.S. \$500,000,000 of such Book-Entry Unit or Units and an additional Global Note, Global Warrant or Global Unit, will be issued to represent any remaining principal amount of such Book-Entry Note or Notes, aggregate notional amount of such Book-Entry Warrant or Warrants or aggregate face amount of such Book-Entry Unit or Units. In such a case, each of the Global Notes, Global Warrants or Global Units representing such Book-Entry Note or Notes, such Book-Entry Warrant or Warrants, or such Book-Entry Unit or Units, as the case may be, shall be assigned the same CUSIP number.

Delivery of Confirmation and Prospectus to Purchaser by each Agent:

Subject to “Suspension of Solicitation; Amendment or Supplement” below, each Agent and participating Dealer, pursuant to the terms of the Master Agency Agreement and as herein described, will cause to be delivered a copy of the Prospectus, including the applicable Pricing Supplement, to each purchaser of Program Securities from such Agent or Dealer.

For each offer to purchase a Program Security solicited by any Agent and accepted by or on behalf of the Company, such Agent will issue a confirmation to the purchaser, setting forth the details described above and delivery and payment instructions.

C-5

In addition, such Agent will deliver to purchasers of the Program Securities the Prospectus, including the applicable Pricing Supplement, in relation to such Program Security prior to or simultaneously with delivery of the confirmation of sale and delivery of the Program Security.

Suspension of Solicitation; Amendment or Supplement:

Subject to the Company's representations, warranties and covenants contained in the Master Agency Agreement, the Company may instruct the Agents to suspend at any time, for any period of time or permanently, the solicitation of orders to purchase Book-Entry Notes, Book-Entry Warrants or Book-Entry Units. Upon receipt of such instructions, the Agents will forthwith suspend solicitation until such time as the Company has advised them that such solicitation may be resumed.

In the event that at the time the Company suspends solicitation of purchases there shall be any orders outstanding for settlement, the Company will promptly advise the Agents and the Bank whether such orders may be settled and whether copies of the Prospectus as in effect at the time of the suspension, together with the appropriate Pricing Supplement, may be delivered in connection with the settlement of such orders. The Company will have the sole responsibility for such decision and for any arrangement that may be made in the event that the Company determines that such orders may not be settled or that copies of such Prospectus may not be so delivered.

If the Company decides to amend or supplement the Registration Statement (as defined in the Master Agency Agreement) or the Prospectus, it will promptly advise the Agents and furnish the Agents with the proposed amendment or supplement and with such certificates and opinions as are required, all to the extent required by and in accordance with the terms of the Master Agency Agreement. Subject to the provisions of the Master Agency Agreement, the Company may file with the Commission any such supplement to the Prospectus relating to the Program Securities. The Company will provide the Agents and Deutsche Bank with copies of any such supplement, and confirm to the

C-6

Agents that such supplement has been filed with the Commission pursuant to the applicable paragraph of Rule 424(b).

Settlement:

The receipt by the Company of immediately available funds in payment for a Book-Entry Note, a Book-Entry Warrant or a Book-Entry Unit and, in the case of the Note, the authentication and issuance of the Global Note representing such Note, in the case of the Warrant, the countersigning and issuance of the Global Warrant representing such Warrant or, in the case of the Unit, the completion and issuance of the Global Unit representing such Unit (and of each security comprised by such Unit) shall constitute "settlement" with respect to such Note, Warrant or Unit, as the case may be. Deutsche Bank will then assign a CUSIP number to the Global Note representing a Note, whether issued alone or as part of a Unit, and will notify the Company and the Agent of such CUSIP number(s) by telephone as soon as practicable, except that for Optionally Exchangeable and Mandatorily Exchangeable Notes the Agent will obtain a CUSIP number for the Global Note representing such Note and will notify the Company and Deutsche Bank of such CUSIP number(s) by telephone as soon as practicable. 4. Whether the Global Note, Global Warrant or Global Unit will represent any other Book-Entry Note, Book-Entry Warrant or Book-Entry Unit, as the case may be (to the extent known at such time).

C-12

Deutsche Bank in accordance with "Settlement Procedure" "H".

L. Unless the Agent is the end purchaser of the Note, Warrant or Unit, the Agent will confirm the purchase of such Note, Warrant or Unit to the purchaser either by transmitting to the Participants with respect to such Note, Warrant or Unit a confirmation order or orders through DTC's institutional delivery system or by mailing a written confirmation to such purchaser.

M. Monthly, Deutsche Bank will send to the Company a statement setting forth the principal amount of Notes outstanding as of that date under the Indenture, in the case of Warrants, the aggregate notional amount of Warrants outstanding as of that date under any Warrant Agreement, or, in the case of Units, the aggregate face amount of Units outstanding as of that date, under the Unit Agreement, and setting forth a brief description of any sales of which the Company has advised Deutsche Bank that have not yet been settled.

For sales by the Company of Book-Entry Notes, Book-Entry Warrants or Book-Entry Units to or through the Agent (unless otherwise specified pursuant to a Terms Agreement) for settlement on the first Business Day after the sale date, Settlement Procedures “A” through “L” set forth above shall be completed as soon as possible but not later than the respective times in New York City set forth below:

<u>Settlement Procedure</u>	<u>Time</u>
A	11:00 A.M. on the sale date
B	11:00 A.M. on the sale date
C	11:00 A.M. on the sale date
D	12:00 Noon on the sale date
E	2:00 P.M. on the sale date
F	9:00 A.M. on the settlement date

C-13

K-L	5:00 P.M. on the settlement date

If a sale is to be settled more than one Business Day after the sale date, Settlement Procedures “A”, “B”, “C”, “D” and “E” shall be completed as soon as practicable but no later than 11:00 A.M., 11:00 A.M., 11:00 A.M., 12 Noon and 2:00 P.M., respectively, on the first Business Day after the sale date. If the Initial Interest Rate for a Floating Rate Book-Entry Note, whether issued alone or as part of a Unit, has not been determined at the time that “Settlement Procedure” “A” is completed, “Settlement Procedure” “D” and “E” shall be completed as soon as such rate has been determined but no later than 12 Noon and 2:00 P.M., respectively, on the Business Day before the settlement date. “Settlement Procedure” “J” is subject to extension in accordance with any extension of Fedwire closing deadlines and in the other events specified in the SDFS operating procedures in effect on the settlement date.

If settlement of a Book-Entry Note, Book-Entry Warrant or a Book-Entry Unit is rescheduled or canceled, Deutsche Bank, after receiving notice from the Company or the Agent, will deliver to DTC, through DTC’s Participant Terminal System, a cancellation message to such effect by no later than 2:00 P.M. on the Business Day immediately preceding the scheduled settlement date.

Failure to Settle:

If Deutsche Bank fails to enter an SDFS deliver order with respect to a Book-Entry Note, Book-Entry Warrant or a Book-Entry Unit pursuant to Settlement Procedure “H”, Deutsche Bank may upon the written request of the Company deliver to DTC, through DTC’s Participant Terminal System, as soon as practicable a withdrawal message instructing DTC to debit such Note, Warrant or Unit to Deutsche Bank’s participant account, provided that Deutsche Bank’s participant account contains a principal amount of the Global Note representing such Note, an aggregate notional amount of the Global Warrant representing such Warrant, or an aggregate face amount of the Global Unit representing such Unit that is at least equal to the principal amount, notional amount or face amount to be debited. If a withdrawal message is processed with respect to

C-14

all the Book-Entry Notes represented by a Global Note, all the Book-Entry Warrants represented by a Global Warrant or all the Book-Entry Units represented by a Global Unit, Deutsche Bank will mark such Global Note, Global Warrant or Global Unit “canceled,” make appropriate entries in Deutsche Bank’s records and send such canceled Global Note, Global Warrant or Global Unit to the Company. The CUSIP number assigned to such Global Note, Global Warrant or Global Unit shall, in accordance with the procedures of the CUSIP Service Bureau of Standard & Poor’s Corporation, be canceled and not immediately reassigned. If a withdrawal message is processed with respect to one or more, but not all, of the Book-Entry Notes represented by a Global Note, with respect to one or more, but not all, of the Book-Entry Warrants represented by a Global Warrant, or with respect to one or more, but not all, of the Book-Entry Units represented by a Global Unit, Deutsche Bank will exchange such Global Note, Global Warrant or Global Unit, as the case may be, for two Global Notes, for two Global Warrants or for two Global Units, as the case may be, one of which shall represent such Book-Entry Note or Notes, such Book-Entry Warrant or Warrants or such Book-Entry Unit or Units and shall be canceled immediately after issuance and the other of which shall represent

the remaining Book-Entry Notes, Book-Entry Warrants or Book-Entry Units previously represented by the surrendered Global Note, Global Warrant or Global Unit and shall bear the CUSIP number of the surrendered Global Note, Global Warrant or Global Unit.

If the purchase price for any Book-Entry Note, Book-Entry Warrant or Book-Entry Unit is not timely paid to the Participants with respect to such Note, Warrant or Unit by the beneficial purchaser thereof (or any person, including an indirect participant in DTC, acting on behalf of such purchaser), such Participants and, in turn, the Agent may enter SDFS deliver orders through DTC's Participant Terminal System reversing the orders entered pursuant to Settlement Procedures "H" and "I", respectively. Thereafter, Deutsche Bank will deliver the withdrawal message and take the related actions described in the preceding paragraph.

Notwithstanding the foregoing, upon any failure to settle with respect to a Book-Entry Note, Book-Entry Warrant or Book-Entry Unit, DTC may take any actions in accordance with its SDFS operating procedures then in effect.

C-15

In the event of a failure to settle with respect to one or more, but not all, of the Book-Entry Notes, Book-Entry Warrants or Book-Entry Units to have been represented by a Global Note, a Global Warrant or a Global Unit, as the case may be, Deutsche Bank will provide, in accordance with Settlement Procedures "F" and "H", for the authentication and issuance of a Global Note representing the Book-Entry Notes to be represented by such Global Note, for the issuance of a Global Warrant representing the Book-Entry Warrants to be represented by such Global Warrant and for the issuance of a Global Unit representing the Book-Entry Units to be represented by such Global Unit and, in each case, will make appropriate entries in its records.

J.P. Morgan Chase & Co.
and
J.P. Morgan Securities Inc.

Dear Mesdames and Sirs:

We have audited the consolidated financial statements of The J.P. Morgan Chase & Co. (the "Company") as of December 31, 2003 and 2002 and for each of the three years in the period ended December 31, 2003 included in the Company's 2003 Annual Report on Form 10-K for the year ended December 31, 2002 (the "Form 10-K"); our report with respect thereto is included in the Form 10-K. The Form 10-K is incorporated by reference in the registration statement on Form S-3 of the Company (No. 333-52826), under the Securities Act of 1933 (the "Act"). Such registration statement in the form declared effective, with respect to the Global Medium-Term Notes, Series E, due more than nine months from the date of issue (the "Notes"), its Global Warrants, Series E (the "Warrants") and its Global Units, Series E (the "Units" and, together with the Notes and the Warrants, the "Program Securities"), of the Company issued pursuant to a Prospectus dated June 20, 2001 and associated Prospectus Supplement dated May 7, 2004, are herein referred to as the "Registration Statement".

In connection with the Registration Statement:

1. We are independent certified public accountants with respect to the Company within the meaning of the Act and the applicable rules and regulations thereunder adopted by the Securities and Exchange Commission ("Commission").
2. In our opinion, the Company's consolidated financial statements audited by us and incorporated by reference in the Registration Statement comply as to form in all material respects with the applicable accounting requirements of the Act and the Securities Exchange Act of 1934 (the "Exchange Act") and the related rules and regulations adopted by the Commission.
3. We have not audited any financial statements of the Company as of any date or for any period subsequent to December 31, [20__]; although we have conducted an audit for the year ended December 31, [20__], the purpose (and therefore the scope) of the audit was to enable us to express an opinion on the consolidated financial statements as of December 31, [20__], and for the year then ended, but not on the financial statements for any interim period within such year. Therefore, we are unable to and do not express an opinion on the unaudited condensed Consolidated Balance Sheet as of _____, and the unaudited condensed Consolidated Statements of Income, of Cash Flows and of Changes in Stockholders' Equity for the _____-month period ended _____ and _____, included in the Company's quarterly report on Form 10-Q for the quarter ended _____, incorporated by reference in the Registration Statement, or on

E-1

the financial position, results of operations or cash flows of the Company as of any date or for any period subsequent to December 31, [20__].

4. For purposes of this letter, we have read the minutes of the _____ meetings of the Boards of Directors, and the Audit and Examining Committees of the Company, as applicable, as set forth in the minute books at _____; officials of the Company having advised us that the minutes of all such meetings through that date were set forth therein (except for the minutes of the _____ meetings of the Boards of Directors of the Company, which were not approved in final form, for which drafts were provided to us; officials of the Company having represented that such drafts include all substantive actions taken at such meetings), and for the _____-month period ended _____ and _____, we have carried out other procedures to _____ as follows:
 - a. performed the procedures specified by the American Institute of Certified Public Accountants for a review of interim financial information as described in SAS No. 100. Interim Financial Information, on the unaudited condensed Consolidated Balance Sheet as of _____, and the unaudited condensed Consolidated Statements of Income, of Cash Flows and of Changes in Stockholders' Equity for the _____-month period ended _____ and _____, included in the Company's quarterly report on Form 10-Q for the quarter ended _____, incorporated by reference in the Registration Statement; and
 - b. inquired of certain officials of the Company who have responsibility for financial and accounting matters as to whether the unaudited condensed consolidated financial statements referred to in 4.a. comply as to form in all material respects with the applicable accounting requirements of the Act and the Exchange Act as they apply to Form 10-Q and the related rules and regulations adopted by the SEC.

The foregoing procedures do not constitute an audit made in accordance with generally accepted auditing standards. Also, they would not necessarily reveal matters of significance with respect to the comments in the following paragraph. Accordingly, we make no representations as to the sufficiency of

the foregoing procedures for your purposes.

5. Nothing came to our attention as a result of the foregoing procedures, however, that caused us to believe that:
- (1) any material modifications should be made to the unaudited condensed consolidated financial statements described in 4.a. for them to be in conformity with generally accepted accounting principles.
 - (2) the unaudited condensed consolidated financial statements referred to in 4.a above do not comply as to form in all material respects with the applicable accounting requirements of the Act and the Exchange Act as

E-2

they apply to Form 10-Q and the related rules and regulations adopted by the Commission.

6. For purposes of this letter, we have also read the items identified by you (set forth in Registration Statements on the indicated pages) and have performed the additional procedures stated below with respect to such information. Our audit of the financial statements for the periods referred to in the introductory paragraphs of this letter comprised of audit tests and procedures deemed necessary for the purpose of expressing an opinion on such financial statements taken as a whole. For neither the periods referred to therein nor any other period did we perform audit tests for the purpose of expressing an opinion on the individual balances of accounts or summaries of selected transactions such as those enumerated below and, accordingly, we express no opinion thereon.

For purposes of this letter, the following term and associated procedures performed by us is defined:

“Schedules prepared by the Company from its detailed accounting records.” For purposes of this letter for all items we compared to “Schedules prepared by the Company from its detailed accounting records”, we also agreed the information on such schedules to the Company’s “detailed accounting records” and recalculated the mathematical accuracy of the schedules, unless otherwise noted. The term “detailed accounting records” shall mean accounting records subject to the internal controls of the Company’s accounting system or derived directly from such accounting records by analysis or computation.

In the Company’s Form 10-Q for the quarter ended _____ incorporated by reference in the Registration Statement:

Item # Page Description, Procedures and Findings

- a. Last Paragraph - Beginning with “[The following table...]” Reconciliation of Nonperforming Assets - Table. We compared and agreed the amounts shown for total nonperforming assets at _____, _____, and _____ to working papers prepared by the Company.
- b. Fourth Paragraph - Beginning with “The accompanying table...” “[Allowance for Credit Losses]” - Table. We compared and agreed all the amounts shown under the captions “_____ Quarter” for “_____” and “_____” to working papers prepared by the Company.
- c. “[Allowance Coverage Ratios]” - Table. We recalculated the percentage of the allowance for losses as loans at period-end as _____ and _____ and found the resultant amounts to be in agreement with these presented.

E-3

-
7. It should be understood that we make no representations as to questions of legal interpretation or as to the sufficiency for your purposes of the procedures enumerated in the preceding paragraph; also, such procedures would not necessarily reveal any material misstatement of the amounts or percentages referred to above. Further, we have addressed ourselves solely to the foregoing data as set forth in the Registration Statement and make no representations as to the adequacy of disclosure or as to whether any material facts have been omitted.

This letter is solely for the information of the addressees and to assist the Agents (as defined in the Master Agency Agreement) in conducting and documenting their investigation of the affairs of the Company in connection with the offering of Program Securities covered by the Registration Statement and is not to be used, circulated, quoted, or otherwise referred to for any other purpose, including, but not limited to, the registration, purchase, or sale of securities, nor is it to be filed with or referred to in whole or in part in the Registration Statement or any other document, except that reference may be made to it in the Master Agency Agreement or in any list of closing documents pertaining to the offering of the notes covered by the Registration Statement.

Yours very truly,

E-4

CALCULATION AGENT AGREEMENT dated as of May 7, 2004, between J.P. Morgan Chase & Co., a Delaware corporation (hereinafter called the “**Issuer**”), having its principal office at 270 Park Avenue, New York, New York 10017-2070, and J.P. Morgan Securities Inc., (hereinafter sometimes called the “**Calculation Agent**,” which term shall, unless the context shall otherwise require, include its successors and assigns), having its principal office at 270 Park Avenue, New York, New York 10017-2070.

WHEREAS, the Issuer proposes to issue and sell from time to time up to \$1,000,000,000 less the initial public offering price of any securities previously issued under the Registration Statement on Form S-3 file No. 333-52826 (the “**Registration Statement**”), as filed with the Securities and Exchange Commission under the Securities Act of 1933 (or the equivalent thereof in one or more currencies other than U.S. dollars) aggregate initial public offering price of its Global Medium-Term Notes, Series E, due more than nine months from the date of issue (the “**Notes**”), its Global Warrants, Series E (the “**Warrants**”) and its Global Units, Series E (the “**Units**”) and, together with the Notes and the Warrants, the “**Program Securities**”). NOW IT IS HEREBY AGREED THAT:

1. The Issuer hereby appoints J.P. Morgan Securities Inc., as Calculation Agent for the Notes, upon the terms and subject to the conditions herein set forth, and J.P. Morgan Securities Inc. hereby accepts such appointment. The Calculation Agent shall act as an agent of the Issuer for the purpose of determining any payments to be made on the Notes.

2. Attached as Exhibits A-1, A-2, A-3, A-4, A-5, A-6, A-7 and A-8 are the forms of Notes and the Calculation Agent hereby acknowledges its acceptance of the forms of the Notes.

3. The Issuer shall notify the Calculation Agent of the issuance of the Notes and, at the time of such issuance, shall deliver to the Calculation Agent all information in the possession of the Issuer for the calculation of any payments thereunder. The Calculation Agent shall calculate any payments due on the Notes in accordance with the terms of such Notes, the Indenture and the provisions of this Agreement. In addition, the Calculation Agent shall maintain, or cause to be

maintained, records permitting it to calculate any amounts due (as set forth in the Notes).

4. Promptly following the determination of any amount due, the Calculation Agent will cause to be forwarded to the Issuer, the Trustee and any paying agent for the Notes information regarding the amount due.

5. The Issuer will pay such compensation as shall be agreed upon and the expenses, including reasonable counsel fees, incurred by the Calculation Agent in connection with its duties hereunder to the Calculation Agent upon receipt of such invoices as the Issuer shall reasonably require.

6. Notwithstanding any satisfaction or discharge of the Notes or the Indenture, the Issuer will indemnify the Calculation Agent against any losses, liabilities, costs, claims, actions or demands which it may incur or sustain or which may be made against it in connection with its appointment or the exercise of its powers and duties hereunder as well as the reasonable costs, including reasonable fees and expenses of counsel in defending any claim, action or demand, except such as may result from the negligence or willful misconduct of the Calculation Agent or any of its employees. The Calculation Agent shall incur no liability and shall be indemnified and held harmless by the Issuer for, or in respect of, any actions taken or suffered to be taken in good faith by the Calculation Agent in reliance upon (i) the written opinion or advice of counsel or (ii) written instructions from the Issuer.

7. The Calculation Agent accepts its obligations herein set forth upon the terms and conditions hereof, including the following, to all of which the Issuer agrees:

(i) in acting under this Agreement and in connection with the Notes, the Calculation Agent, acting as agent for the Issuer, does not assume any obligation towards, or any relationship of agency or trust for or with, any of the holders of the Notes;

(ii) unless herein otherwise specifically provided, any order, certificate, notice, request or communication from the Issuer made or given under any provision of this Agreement shall be sufficient if signed or given by any person whom the Calculation Agent reasonably believes to be a duly authorized officer or attorney-in-fact of the Issuer;

(iii) the Calculation Agent shall be obligated to perform only such duties as are expressly set forth herein and any duties necessarily incidental thereto;

(iv) the Calculation Agent shall be protected and shall incur no liability for or in respect of any action taken or omitted to be taken or anything suffered in good faith by it in reliance upon anything contained in the Notes, the Indenture or any information supplied to it by the Issuer pursuant to this Agreement, including the information to be supplied pursuant to paragraph 3 above.

(v) the Calculation Agent, whether acting for itself or in any other capacity, may become the owner or pledgee of Notes with the same rights as it would have had if it were not acting hereunder as Calculation Agent; and

(vi) the Calculation Agent shall incur no liability hereunder except for loss sustained by reason of its own negligence or willful misconduct.

8. (a) The Calculation Agent may, in its sole discretion, designate one or more reference treasury dealers (each a “**Reference Treasury Dealer**”) for purposes of quoting rates or yields in accordance with the terms of the Notes. Forthwith upon such initial designation or any change in the identity of any Reference Treasury Dealer, the Calculation Agent shall notify the Issuer and the Trustee of such designation or change. The Calculation Agent shall not be responsible to the Issuer or any third party for any failure of any Reference Treasury Dealer to fulfill its duties or meet its obligations as a Reference Treasury Dealer or as a result of the Calculation Agent’s having acted (except in the event of negligence or willful misconduct) on any quotation or other information given by any Reference Treasury Dealer that subsequently may be found to be incorrect.

(b) Except as provided below, the Calculation Agent may at any time resign as Calculation Agent by giving written notice to the Issuer and the Trustee of such intention on its part, specifying the date on which its desired resignation shall become effective, provided that such notice shall be given not less than 60 days prior to the said effective date unless the Issuer and the Trustee otherwise agree in writing; *provided, however*, if the Calculation Agent has given not less than 60 days’ prior notice of its desired resignation, and during such 60 days a successor Calculation Agent has not accepted its appointment as successor Calculation Agent, the Calculation Agent so resigning may petition any court of competent jurisdiction for the appointment of a successor Calculation Agent. The Issuer covenants that it shall appoint a successor Calculation Agent as soon as practicable after receipt of any notice of resignation hereunder.

Except as provided below, the Calculation Agent may be removed by the filing with it and the Trustee of an instrument in writing signed by the Issuer specifying such removal and the date it shall become effective (such effective date

3

being at least 20 days after said filing). Any such resignation or removal shall take effect upon:

(i) the appointment by the Issuer as provided herein of a successor Calculation Agent; and

(ii) the acceptance of such appointment by such successor Calculation Agent.

Upon its resignation or removal becoming effective, the retiring Calculation Agent shall be entitled to the payment of its compensation and the reimbursement of all expenses (including reasonable counsel fees) incurred by such retiring Calculation Agent pursuant to paragraph 5 hereof.

(c) If at any time the Calculation Agent shall resign or be removed, or shall become incapable of acting or shall be adjudged bankrupt or insolvent, or liquidated or dissolved, or an order is made or an effective resolution is passed to wind up the Calculation Agent, or if the Calculation Agent shall file a voluntary petition in bankruptcy or make an assignment for the benefit of its creditors, or shall consent to the appointment of a receiver, administrator or other similar official of all or any substantial part of its property, or shall admit in writing its inability to pay or meet its debts as they mature, or if a receiver, administrator or other similar official of the Calculation Agent or of all or any substantial part of its property shall be appointed, or if any order of any court shall be entered approving any petition filed by or against the Calculation Agent under the provisions of any applicable bankruptcy or insolvency law, or if any public officer shall take charge or control of the Calculation Agent or its property or affairs for the purpose of rehabilitation, conservation or liquidation, then a successor Calculation Agent shall be appointed by the Issuer by an instrument in writing filed with the successor Calculation Agent and the Trustee. Upon the appointment as aforesaid of a successor Calculation Agent and acceptance by the latter of such appointment, the former Calculation Agent shall cease to be Calculation Agent hereunder.

(d) Any successor Calculation Agent appointed hereunder shall execute and deliver to its predecessor, the Issuer and the Trustee an instrument accepting such appointment hereunder, and thereupon such successor Calculation Agent, without any further act, deed or conveyance, shall become vested with all the authority, rights, powers, immunities, duties and obligations of such predecessor with like effect as if originally named as the Calculation Agent hereunder, and such predecessor, upon payment of its compensation, charges and disbursements then unpaid, shall thereupon become obliged to transfer and deliver, and such successor

4

Calculation Agent shall be entitled to receive, copies of any relevant records maintained by such predecessor Calculation Agent.

(e) Any corporation or other entity into which the Calculation Agent may be merged or converted or any corporation or other entity with which the Calculation Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Calculation Agent shall be a party shall, to the extent permitted by applicable law, be the successor Calculation Agent under this Agreement without the

execution or filing or any paper or any further act on the part of any of the parties hereto. Notice of any such merger, conversation or consolidation shall forthwith be given to the Issuer and the Trustee.

(f) The provision of paragraph 6 hereof shall survive any resignation or removal of the Calculation Agent hereunder.

9. Any notice required to be given hereunder shall be delivered in person, sent by letter or telex or telecopy or communicated by telephone (subject, in the case of communication by telephone, to confirmation dispatched within two business days by letter, telex or telecopy), in the case of the Issuer, to it at the address set forth in the heading of this Agreement, Attention: Corporate Treasury; in the case of the Calculation Agent, to it at the address set forth in the heading of this Agreement, Attention: Equity Derivatives, Private Banking Marketing Desk; and in the case of the Trustee, to it at 60 Wall Street, MS NYC60-2515, New York, NY 10005, Attention: Trust and Securities Services; or, in any case, to any other address of which the party receiving notice shall have notified the party giving such notice in writing.

Ladies and Gentlemen:

We have acted as special tax counsel to J.P. Morgan Chase & Co., a corporation incorporated under the laws of Delaware (the "Company"), in connection with the preparation and filing of a prospectus supplement dated May 7, 2004 (the "Prospectus Supplement") for the Company's Global Medium-Term Notes, Series E, Global Warrants, Series E and Global Units, Series E, relating to a prospectus dated June 20, 2001 (the "Prospectus") contained in the Company's Registration Statement on Form S-3 (Registration Statement No. 333-52826) (the "Registration Statement"). This opinion is being furnished in accordance with the requirements of Section 601(b)(8) of Regulation S-K of the Securities Act of 1933, as amended.

In our opinion, the discussion under the heading "United States Federal Taxation" in the Prospectus Supplement, insofar as it relates to U.S. federal income tax matters, and subject to the conditions and limitations described therein, sets forth the material U.S. federal income tax considerations applicable generally to holders of the securities offered pursuant to the Prospectus Supplement as a result of the ownership and disposition of such securities.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the references to us under the heading "United States Federal Taxation" in the Prospectus Supplement. By such consent we do not concede that we are an "Expert" for the purposes of the Securities Act of 1933.

Very truly yours,

/s/ Davis Polk & Wardwell
